Informational Message

The Presidium of the Society of Helminthologists named after K.I. Skryabin RAS, the VNIIP – FSC VIEV, is pleased to invite you to take part in the International Scientific Conference "Theory and practice of parasitic disease control".

The Conference is scheduled for **May 20-22, 2026** at 28, B. Cheremushkinskaya Str., Moscow.

Proceedings of the Conference "Theory and practice of parasitic disease control" will be published with indexing in the RSCI and assigning DOI.

For the purpose of the program to be developed in due time and Conference proceedings to be prepared for publication, please submit articles in due form according to Appendix 1 **by or before February 27, 2026** to e-mail conference@vniigis.ru.

The Conference registration fee (includes the cost of collected reports) is RUB 3,000. The payment form is bank wire transfer. The details are given in Appendix 2. A scan of the payment receipt shall be sent along with abstracts to e-mail conference@vniigis.ru.

An application form completed in handwriting shall be sent in the form of a scanned copy to the Organizing Committee's e-mail conference@vniigis.ru.

More detailed information on the publication of proceedings of the Conference "Theory and practice of parasitic disease control" is available on our website <https://www.vniigis.ru/en/izdaniya/theory-and-practice-of-parasitic-disease-control/>.

Papers executed in disregard of the rules above, and sent after the due date or without the registration fee paid, will not be accepted.

Sincerely, Organizing Committee

Requirements for Article Formatting

Articles shall be submitted in Russian or English as MS Word files. The length of the manuscript shall be **3–4 pages, including all elements of the paper (from the UDC to the list of references in Russian and English).**

The font shall be Times New Roman, size 14, single-spaced, justified, with no paragraph indentation. Standard margins are required: left, 3 cm; right, 1.5 cm; top and bottom, 2 cm.

All figures and tables shall be numbered and titled. Figures shall be submitted to the Organizing Committee as separate original files.

Latin names of genera and species (subspecies) should be italicized.

The file name shall include the surname of the first author and the first word of the article title (for example: Uspensky_AV_Main).

Article Structure

1. UDC should be indicated in the upper left corner of the first page.
2. Title of the article (in capital letters, bold type), centered.
3. Authors' full names (bold type) indicating their academic degree, academic title, position, department, and e-mail address. Full name of the organization with its address.
4. Abstract including a brief description of the novelty, materials and methods, research results, and conclusions (summary in Russian of at least **150 words**). Keywords: **3–5 words**.

Information shall be presented in Russian in items 2, 3 and 4.

5. Article title, author information, and organization details in English. Abstract (English summary of at least 150 words). Keywords.

6. Main text of your article shall be presented in a certain sequence with corresponding subheadings in English.

- 1) Introduction
- 2) Materials and Methods
- 3) Research Results
- 4) Conclusion

7. References. References shall be listed alphabetically. The number of sources in the reference list shall include no more than 5 for the last 10 years.

The Registration Fee for participation in the Conference (includes the cost of the collected reports) is RUB 3,000. Payment method is bank transfer.
